Application No. 10/716,018
Filing Date 11/18/2003
Confirmation No. 4191
Examiner: Purvis, Sue A

To Whom It May Concern:

After further internal review of the Notice of Non-Compliant, dated 02/06/2006, I noticed an error that I would like to correct, claims 13 thru 19 were marked as "Original," that is incorrect they should have been marked as "New".

Please accept my apology for this oversight. A New Supplemental Amendment to the 02/06/06 Notice of Non-Compliant is included. In this New Supplemental Amendment claims 1 thru 12 are the "Originals", and claims 13-25 are "New".

Sincerely,

Robert P. Schoppman
